To The Members of the Edwards Officers Spouse Club:

Thank you once again for the \$1000 donation to DJSH. We have already purchased a projector and Interwrite tablet for one of our classrooms. We would only be much further behind in our efforts to increase our use of technology for our teachers and our students without your continued support.

Thank you in your effort to support our staff and our future leaders.

Sincerely

S. Nat Adams

Nat Adams – Principal  
Chappelle Griffin – Assistant Principal
